

Ann Vanderbijl, MA

Ann Vanderbijl, MA has a background in cultural and medical anthropology, with extensive experience in qualitative research in health and immigration; and in diversity leadership within both healthcare and higher education settings. She serves as Director of Diversity Services at Providence Health Care, and is author of 'Huddle for Diversity: Healthcare Tips for Raising Cultural and Religious Awareness', recognized as a Leading Practice by Accreditation Canada in 2008. She is currently a consultative member of two working groups to establish provincial and national cultural competence standards for healthcare.
