

Notes:

1. At any time through this process, the member of Medical Staff may seek assistance and advice from the Medical Staff Executive Committee.
2. The involved Medical Staff member may appeal the outcome of this process to the Provincial Health Care Medical Advisory Committee (MAC).
2. If involved Medical Staff member respondent fails to comply with the follow-up plan or the requirement that professional conduct and behaviour is beyond reproach, the matter will be referred to the MAC for further action.
