ABOUT US

We are a short-term outpatient addiction clinic providing consultation and stabilization for individuals with substance use disorders.

We provide a safe space where you can get help from a physician, nurse or social worker for your substance use and/or addiction.

Our team can help provide you with the tools to support your goals.

Our philosophy for treatment and care includes:
- Client-centred practice
- Trauma informed
- Without judgment
- Healing environment

HOW TO ACCESS US

Our program accepts referrals from community providers, doctors, nurses, social workers, and the emergency departments. Please ask a doctor, nurse or counselor to refer you or you can call us directly.

All Services are free.
No ID or CareCard? No problem!
Let us know and we can help.
